

Nilfisk Eliminator I HEPA Filter Vacuum

Three-stage filtration system includes disposable bag, a main filter and a HEPA filter

The Eliminator I is a compact vacuum cleaner designed to withstand the abuse of a rugged environment, while maintaining strong suction and filtration capabilities. The multi-stage filtration system features a HEPA filter that captures 99.97 percent of dust and debris, down to and including 0.3 microns. The standard model is configured for dry collection, but it can easily be converted into a wet/dry vacuum by adding a float chamber device. The Eliminator I can also be purchased with the float chamber factory installed (wet version). As a member of the Nilfisk Eliminator family of vacuums, all filters, accessories, and hoses are interchangeable within the Eliminator line.

Features and Benefits:

- Lightweight, easy to empty 5 gallon collection container
- High-powered motor provides excellent performance for demanding applications
- Robust, thermoplastic design prevents corrosion and ensures durability
- Three-stage filtration system features a 2.25 gallon disposable bag, a main filter, and a HEPA Filter
- Wheeled trolley provides maneuverability, and also acts as an anti-scuff bumper
- Large, ergonomic handle for easy transport, as well as cord storage
- Low noise level

Nilfisk Eliminator I

A durable solution for rugged environments

Specifications

Data	Units	Eliminator I	Eliminator I (wet version)
Voltage @ 60Hz	volts	120	120
Power	watts	1350	1350
Current Draw	amps	11.2	11.2
Waterlift, max	inches of H2O	88	88
Airflow, max	cfm	89	89
Noise Level @ 3' 3"	dB(A)	65	65
Filter Area, main filter	sq. in.	225	225
Filter Area, HEPA	sq. in.	1007	1007
Dust Bag Capacity	gallons	2.25	2.25
Tank Capacity	gallons	5	3.6
Dimension (l x w x h)	inches	17 x 16 x 22	17 x 16 x 26.5
Weight	pounds	20	20
Cord Length	feet	50	50
Filter Efficiency, HEPA	DOP-tested	99.97% @ 0.3 microns	99.97% @ 0.3 microns

Standard accessory kit includes:

10' hose with curved aluminum wand, 2 extension wands, dust brush, crevice nozzle, and a floor tool with 3 inserts
